

Thank you for submitting information about your straw bale structure. We are pleased to be able to showcase some of the many homes that have been built in Colorado over the years. In addition to filling in the questionnaire, please include up to eight photos with descriptions. These photos may be any size, but may be reformatted to fit on the page. Send completed forms and image attachments to costrawbale@yahoo.com (you can copy and paste the questions into your e-mail message).

Please note that, if your building is not open for visitors, we will not include any of your contact information on the web page, unless you ask us to.
